

What's the next level for you as a Leader?

What if you had more confidence?

What could you accomplish if you weren't afraid of failure?

Do you think you have untapped potential?

Do you want to harness that power to get to the next level?

Work with a coach to unveil your inner brilliance.

Leslie G. Ungar, President of Electric Impulse Communication, Inc. and much sought-after executive coach will work with you to reach your next level of excellence.

First, she helps you identify the value you bring to the marketplace and then creates a personalized strategy to ignite your journey.

Business productivity depends on the personal leadership skills of all of your team members. Leaders who generate creative and positive emotional energy are more productive.

"I began a life-changing journey with Leslie to develop my presence and presentation skills. A marvelous teacher and coach, I would highly recommend her to anyone who has an interest in developing their leadership skills."

Robert P. Brecht
Sr. Executive Vice President
FirstMerit Corp. ®

Leslie G. Ungar
President of Electric Impulse
Communications, Inc.

Leslie Ungar, Founder and President of Electric Impulse Communications, Inc. is on a mission to make companies and individuals realize their untapped potential and set them on course to achieve their top-notch performance level. Leslie is author of Herbie's Hints and 100 Tips in 100 Days. Her articles can be seen from Florida all the way to South Africa. A communication expert, Leslie ignites clients and audiences to believe in the singular conviction that they are their own best solution. She creates a personalized strategy to electrify the journey to performance potential through developing new communication patterns and implementing methods that make things happen and help executives, business owners, leaders, and sales teams prosper.

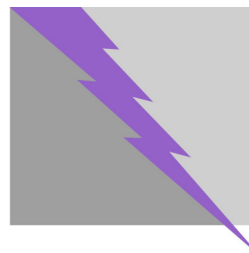

Why Leslie's clients want her one-on-one coaching:

- Accelerated Results: Identify and Grow Your Value
- Accountability for your progress
- An action plan for short term and long range results

As a leader in the "communicating value" movement, she helps her clients discover, define and develop their hidden value to gain their competitive edge.

Objectives of the program:

- Develop a more empowered leadership style
- Be more effective
- Inspire your team efforts
- Think and talk in the results you want
- Increase your visibility
- Stand out in your profession
- Ignite your competitive edge

"A coach is part advisor, part sounding board, part cheerleader, part manager and part strategist."

The Business Journal

Take the journey to discover your untapped potential.

Typical participant profile:

- Executives, managers, professionals, business owners, and executive team members working within an organizational structure.
- Need for Independent, objective coaching to enhance competence, performance, and perceptions.
- Accepts feedback well, willing to change behavior and/or think about issues in a new context.
- Results-oriented and pragmatic
- Needs a sounding board to ensure validity of current behaviors and performance.
- Needs objective help at key times with options for action.
- Wants to establish longer-term professional and career strategies.

"Without working with Leslie, I am not sure I could have success-fully transitioned my executive style in the proper direction. At this point in my career, I just needed a jump-start to ensure my actions were sufficient to achieve my plans."

Jeffrey Evans, CEO, the Will-Burt Co.
Ohio Exporter of the Year

How does it work?

- At our initial meeting we'll discuss your goals and determine the expected outcomes.
- After we agree that we are a good match, you'll receive a detailed proposal which outlines key initiatives, strategies and time lines for achieving your goals.
- Your one-on-one coaching experience will be tailor-made for your goals and objectives
- You'll meet/talk with Leslie Ungar on a regular scheduled basis.
- You'll have unlimited access to her advice and experience
- You'll receive a customized workbook as a reference tool.
- Remember, this program is ideal for people who need situational, objective help from a top consultant and coach.
- Once payment is made, we will email you our executive coaching game plan.
